

# Exercice

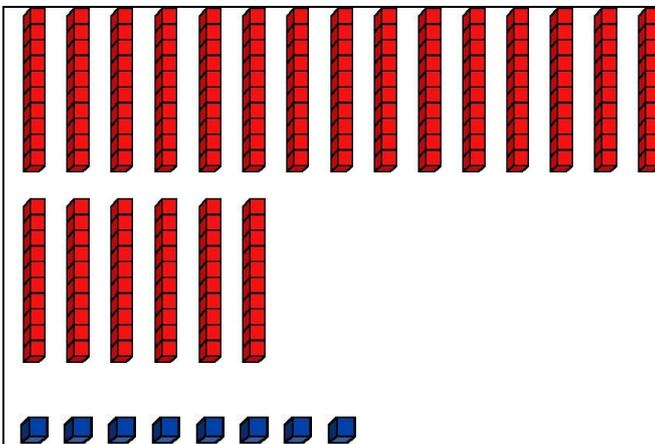

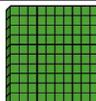

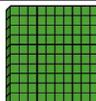

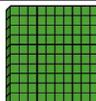

Entoure 10 paquets de 10 pour faire une centaine (étape très importante) puis écris le nombre représenté dans le tableau :

Bien rappeler (si nécessaire à l'aide des leçons du cahier rouge :

- 10 unités = 1 dizaine et 1 dizaine = 10 unités.
- 10 dizaines = 1 centaine / 1 centaine = 10 dizaines
- 1 centaine = 100 unités.

	<table border="1"><tr><td></td><td></td><td></td></tr><tr><td>centaine</td><td>dizaine</td><td>unité</td></tr><tr><td>C</td><td>D</td><td>U</td></tr><tr><td></td><td></td><td></td></tr></table>				centaine	dizaine	unité	C	D	U			
													
centaine	dizaine	unité											
C	D	U
